Hole Diameter:

0.437 inches

Overall Length:

4.190 inches

Overall Width:

3.500 inches

Overall Thickness:

1.250 inches

Bolt Hole Quantity:

3

Special Features:

2 bolt holes located along one width, 1 bolt hole located on opposite side

Material:

Steel comp 1010 or steel comp 1011 or steel comp 1012 or steel comp 1013 or steel comp 1015 or steel comp 1016 or steel comp 1017 or steel comp 1018 or steel comp 1019 or steel comp 1020

Material Specification:

Astm a576 assn standard all material responses or astm a36 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
