Overall Length:

1.750 inches

Overall Width:

0.830 inches

Overall Thickness:

Between 0.045 inches and 0.055 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Plastic epoxy

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
