Inside Diameter:

38.43 millimeters

Outside Diameter:

49.78 millimeters

Overall Thickness:

Between 0.38 millimeters and 0.90 millimeters

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
