Inside Diameter:

0.275 inches

Overall Width:

0.435 inches

Overall Length:

0.470 inches

Product Name:

Spacer, service panel, flared

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
