Overall Thickness:

2.420 inches

Bolt Hole Quantity:

6

Special Features:

Spacer is half circle shape with various holes and cutouts

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/2, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
