Overall Length:

2.290 inches

Overall Width:

0.800 inches

Special Features:

Two holes 0.171-0.177 through on one end spaced 0.380 in. Apart center to center; keyway on other end 0.500 in.

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 t651 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 ty i, cl 2 black military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-a-8625 spec.
