Overall Length:

1.345 inches

Overall Width:

0.585 inches

Overall Thickness:

Between 0.014 inches and 0.018 inches

Construction:

One-piece

Criticality Code Justification:

Adum

Special Features:

Crit code was f

Material:

Titanium alloy uns r56400

Material Specification:

Ams 4911 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
