End Application:

Underwater torpedo tubes; submarine ship control and navigation systems; los angeles class ssn (688)

Product Name:

Adj shim head

Special Features:

Brass

Specification Data:

81348-qq-b-613/superseded government specification

Specification Or Standard:

2 composition

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
