Material:

Steel comp 4130

Material Specification:

Sae ams-s-6758 military specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-418 cxcygtube, assy, collective pitch pilot federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0

Mil-std (military Standard):

spec.
