Overall Length:

6.000 inches

Overall Width:

4.000 inches

Overall Thickness:

0.500 inches

End Application:

2350-01-368-9528

Special Features:

2 holes 0.437dia 2.750in apart and 1.500in from end and 3.250in from sides

Material:

Aluminum alloy 5086

Material Specification:

Qq-a-250/7 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
