Overall Length:

2.620 inches

Overall Width:

1.000 inches

Overall Thickness:

0.625 inches

End Application:

2350-01-368-9528

Special Features:

2 holes 0.030dia 2.000in apart 0.313in x 0.312in from edges

Material:

Aluminum alloy 5083

Material Specification:

Qq-250/6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
