

View Online at <https://aerobasegroup.com/nsn/5365-01-468-6273>

Overall Thickness:

0.561 inches

End Application:

Nha: gear assembly, speed decreaser (nsn 3010-01-406-4493)

Special Features:

Internal flange; chamfered on one end with an external step on the other end

Material:

Steel comp 4140

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
