**Overall Length:**

1.210 inches

**Overall Width:**

0.500 inches

**Overall Thickness:**

0.063 inches

**End Application:**

F-15 acft

**Special Features:**

Hole inside dia. 0.250

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/5 federal specification all material responses

**Surface Treatment:**

Primer

**Surface Treatment Specification:**

Mil-p-85582 military specification all treatment responses

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000

**Mil-std (military Standard):**

Mil-p-85582 spec.
