Overall Length:

1.210 inches

Overall Width:

0.500 inches

Overall Thickness:

0.063 inches

End Application:

F-15 acft

Special Features:

Hole inside dia. 0.250

Material:

Aluminum alloy

Material Specification:

Qq-a-250/5 federal specification all material responses

Surface Treatment:

Primer

Surface Treatment Specification:

Mil-p-85582 military specification all treatment responses

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-p-85582 spec.
