Inside Diameter:

Between 3.005 inches and 3.020 inches

Outside Diameter:

3.880 inches

Overall Thickness:

Between 0.019 inches and 0.021 inches

End Application:

C17 aircraft axle beam outleg mlg

Product Name:

Washer-flat-shim mlg

Material:

Stainless steel

Material Specification:

Ams 5659 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
