Overall Length:

0.700 inches

Overall Width:

0.650 inches

Overall Thickness:

0.155 inches

End Application:

An/alq-99e

Special Features:

12 through holes 0.060-80 unc-2b; nha 459661-1

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
