End Application:

B-1b acft

Corner Shape:

Square all corners

Product Name:

Spacer

Material:

Aluminum alloy 2024

Material Specification:

Qq-a225/6 federal specification single material response

Style Designator:

22e blank, external flange one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
