Overall Length:

1.500 inches

Overall Width:

0.620 inches

Overall Thickness:

0.300 inches

End Application:

Serd 2284, gage, bushing wear-inlet

Product Name:

Pad

Special Features:

One side of item taller than the other by three degrees; two holes equally spaced 1.094 apart, .141 thru, counter sunk .307 x 119 degrees ; .042

Material:

Rubber

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
