Overall Length:

1.500 inches

Overall Width:

0.620 inches

Overall Thickness:

0.210 inches

End Application:

Serd 2284, gage, bushing wear-inlet

Product Name:

Pad

Special Features:

Item is higher on top both sides by five degrees from center; two eqaully spaced holes 1.094 apart. .141 thru; .307 x 119 degrees counter sunk, .039

Material:

Rubber

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
