End Application:

B1

Special Features:

Nha I3096331; astm-a582, type 416, cond a, cres bar, alloy 416 annealed, 0.60 dia, 0.25 lg

Material:

Steel comp 416 body

Material Specification:

Astm-a582 assn standard single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
