Overall Thickness:
0.750 inches
End Application:
Hmmwv, model m1114, nsn 2320014133739
Product Name:
Insulator
Special Features:
Material rubber astm 2000 type class ba (butyl, ethylene propylne c12)
Material:
Rubber
Material Specification:
Mil-hdbk-695 for astm 2000 material ba c12 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
Mil-std (military Standard):
spec.
