Inside Diameter:

Between 0.505 inches and 0.515 inches

Overall Length:

1.620 inches

End Application:

F-22 raptor

Large End Outside Diameter:

Between 1.282 inches and 1.292 inches

Tapered Portion Length:

0.480 inches

Product Name:

Guide, number 6 outboard engine bay

Material:

Stainless steel

Material Specification:

Ams 5659 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535g0
