Nonmetallic Hardness Rating:

80.0 durometer

Overall Length:

2.215 inches

Body Diameter:

0.500 inches

End Application:

1055-01-164-4608

Design Type:

Single centrally located hole

Special Features:

Color black, grooved .094 wide, .280 deep

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0
