End Application:

Sh-2g seasprite helicopter

Special Features:

Stock size 0.080 x 0.70 x 8.20

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
