Inside Diameter:

3.500 inches

Overall Thickness:

Between 0.765 inches and 0.775 inches

End Application:

B-1b

Product Name:

Spacer, thrust

Material:

Stainless steel

Material Specification:

Ams 5643 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
