Overall Length:

2.250 inches

Overall Width:

1.250 inches

Overall Thickness:

0.125 inches

End Application:

Ch53 helicopter

Construction:

One-piece

Product Name:

Shim, 650 gallon pylon

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
