Overall Length:

0.430 inches

Flange Diameter:

2.150 inches

Center Hole Diameter:

1.530 inches

End Application:

Support & indicator assembly, valve

Flange Height:

0.120 inches

Special Features:

Bushing has a flange on both ends

Material:

Rubber

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535j0
