**End Application:**

Bulkhead, nacelle

**Special Features:**

Dimensions 1.250 in. Diameter x .30 in.

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, t651 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
