**Overall Length:**

0.900 inches

**Overall Width:**

0.750 inches

**Cross-sectional Height:**

0.032 inches

**Minor Height:**

0.020 inches

**End Application:**

Nmh-60 reman

**Product Name:**

Shim tapered

**Special Features:**

Material is aluminum 7075.

**Material:**

Aluminum alloy

**Material Specification:**

250/13, t6 assn standard single material response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
