Overall Length:

0.900 inches

Overall Width:

0.750 inches

Cross-sectional Height:

0.032 inches

Minor Height:

0.020 inches

End Application:

Nmh-60 reman

Product Name:

Shim tapered

Special Features:

Material is aluminum 7075.

Material:

Aluminum alloy

Material Specification:

250/13, t6 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
