Inside Diameter:

211.0 millimeters

Outside Diameter:

262.0 millimeters

Overall Thickness:

7.0 millimeters

End Application:

M777e1, 155mm howitzer

Product Name:

Ring, small

Material:

Plastic polyamide

Material Specification:

Astmd5989 type 01, class 1, grade 1 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
