End Application:

1055-01-450-4243 multiple launch rocket system (mlrs)

Product Name:

Shoe hold down plate

Special Features:

Material is m-30 tool steel; magnetic particle inspect; triple temper followed by cold treatment; centrifugal barrel finish

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
