End Application:

2350-01-513-8431 knight with fs3, knight hmmwv

Product Name:

Bushing

Material:

Steel

Style Designator:

22e blank, external flange one end

Supplementary Features:

Bushing, stainless steele, id: .385", od: .505", flange od: .625", flange thickness: .187", shank length: .562"

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
