Overall Length:

5.750 inches

Overall Width:

4.000 inches

End Application:

2320-01-432-4847

Product Name:

Spacer front axle 4" wide front spring

Special Features:

Thickness = 3.500, alternate manufacturing method weld two pieces or undersize material together

Material:

Aluminum

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
