End Application:

Ch-47, chinook helicopter

Product Name:

Filler

Special Features:

Next higher assembly, part number 145s2622

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
