Overall Length:

1.000 inches

Flange Diameter:

1.850 inches

Body Diameter:

1.500 inches

Center Hole Diameter:

0.630 inches

End Application:

Crew shelter (inls)

Flange Height:

0.410 inches

Design Type:

Single centrally located hole

Product Name:

Bushing, dog w/stop

Special Features:

Material is acetal , color black

Material:

Plastic

Style Designator:

Round flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535j0
