**Overall Length:**

0.922 inches

**Flange Diameter:**

1.650 inches

**Body Diameter:**

1.400 inches

**Center Hole Diameter:**

0.810 inches

**End Application:**

Crew shelter (inls)

**Flange Height:**

0.141 inches

**Design Type:**

Single centrally located hole

**Product Name:**

Dog bushing

**Special Features:**

Material is acetal, color black

**Material:**

Plastic

**Style Designator:**

Round flanged

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A535j0
