Overall Length:

16.750 inches

Overall Width:

3.370 inches

Overall Thickness:

0.020 inches

Product Name:

Shim

Material:

Stainless steel

Material Specification:

Ams 5513 assn standard single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Astma-967 assn standard single treatment response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
