Overall Length:

2.500 inches

Overall Width:

2.180 inches

Overall Thickness:

0.250 inches

End Application:

Oe-222a/g

Product Name:

Spacer, switch

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250-11 military specification all material responses

Surface Treatment Specification:

Mil-c-5541 cl 1a military specification all treatment responses

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

spec.
