Hole Diameter:

0.687 inches

Overall Length:

1.500 inches

Overall Width:

1.500 inches

Overall Thickness:

0.125 inches

Product Name:

Shim, small

Material:

Steel

Material Specification:

A572, grade 50 assn standard single material response

Style Designator:

Non-circular w/square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
