Overall Length:

0.630 inches

Overall Width:

0.500 inches

Overall Thickness:

0.090 inches

End Application:

2320-01-530-3843

Product Name:

Spacer, switch

Material:

Aluminum alloy

Material Specification:

Astm b209, grade 5052-h32, sheet (uns a95052), .09 thk assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
