Body Diameter:

2.780 inches

End Application:

2320-01-530-3843 truck, cargo

Design Type:

Single centrally located hole

Contact Surface Thickness:

0.630 inches

Product Name:

Bushing, plastic insulating

Material:

Plastic

Style Designator:

Round convex hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0
