Overall Length:

6.125 inches

Overall Width:

1.000 inches

Overall Thickness:

0.125 inches

End Application:

Core rack assembly

Product Name:

Rack, spacer block

Material:

Steel

Material Specification:

Qq-s-741 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
