Overall Length:

2.050 inches

Overall Width:

1.500 inches

Overall Thickness:

0.750 inches

Product Name:

Spacer lh

Special Features:

Spacer has (2) holes unthreaded, 1.11 in apart, 0.35 in. Dia

Material:

Steel comp 4130

Material Specification:

Astm -a829 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
