Overall Thickness:

0.179 inches

End Application:

4930-01-504-2914, 4930-01-504-2949 and 4930-01-504-2951, fuel system, supply point (fssp)

Product Name:

Doubler, jack mount

Material:

Stainless steel

Material Specification:

Astm a569 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
