Width Across Flats:

0.5000 inches

Overall Length:

0.4500 inches

Flange Width:

0.1500 inches

Product Name:

Alignment socket

Special Features:

Undercut: 0.375-16 unc 2a

Material:

Steel comp 303

Material Specification:

Astm a582 assn standard single material response

Style Designator:

22f hexagon shaped flange, external flange one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A045a0
