Mounting Method:

Bolt

End Application:

5895-01-514-7015, communications interface system (cis) (v) 2

Product Name:

D-ring tie down

Special Features:

Ring diameter is 0.203 inches ; assembly contains mounting plate with two 1/4 inch mounting holes; ultimate load is 1500 lbs

Material:

Steel

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T252-a
