Overall Length:

6.380 inches

Overall Width:

1.440 inches

Overall Thickness:

Between 0.453 inches and 0.463 inches

End Application:

B-1b aircraft

Product Name:

Spacer

Special Features:

2 holes .752 ; 4.000 spacing

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
