Overall Length:

1.1200 inches

End Application:

2320-01-206-4078 truck, wrecker

Product Name:

Spacer, control valve mount

Special Features:

Material is carbon steel 0.813 o.D. X .125 wall

Style Designator:

17c-1 solid, plain, no outside flanges, internal flange one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
