Body Outside Diameter:

1.1900 inches

Body Inside Diameter:

0.5000 inches

End Application:

2320-01-437-6957, armored security vehicle, model xm 1117

Product Name:

Spacer, spring

Material:

Steel

Style Designator:

17c-2 solid, plain, no outside flanges, interior flang (s) not located at either end

Supplementary Features:

Nha-135251; weight 0.10 lb; thickness is 0.19 inch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
